Marval was founded in 1985 in Mariano Comense (Como) in the heart of the Brianza industrial area.

Over the years it has become a worldwide point of reference in the Insulating Glass sector.

Marval was born as a mechanical workshop and was brought to success thanks to the determination and experience of its staff in designing simple and reliable machines with excellent technology.

Today, Marval uses all the advanced technologies in the production of Insulating Glass, producing machines and equipments that are appreciated and exported all over the world.

Everything about Marval is planned, manufactured and tested in our new headquarters in Villa Guardia, Como.
